<p> The 413 organizations listed above have gone through a rigorous state-application-and-review process to qualify for a total-state-investment request of \$30,933,457. This state investment would fully fund all 413 organizations for what each qualify for (Column 5 above) under the state's Cultural and Museum Grants-Funding Category. All of these 413 grant amounts are more than matched locally with earned and other public and private contributions and grants. This specific state investment is a critical catalyst to help generate these matching dollars necessary to sustain these organizations' programs and services. Also, the return on investment to local and state governments is substantial -- for every dollar the state invests, \$5 is generated back to local and state government treasuries. </p>			<p>\$30,933,457</p>
