Notes:

34 counties -- 81% of the 42 counties that have recommended 2017-2018 DCA grant applicants -- are represented on these two appropriation subcommittees: the Senate Appropriations Subcommittee on Transportation, Tourism, and Economic Development and the House Transportation & Tourism Appropriations Subcommittee (TED subcommittees).

452 -- 71% of the 638 DCA qualified 2017-2018 grant applicants -- are based in these 34 counties.

If the Florida Legislature fully funds all of these DCA 2017-2018 qualified grants and the governor approves the appropriations, a total of \$38,255,202 -- 73% of the \$52,311,010 total DCA appropriation requests for four DCA grant-program categories -- will be invested in these 34 counties.
